Location:	AOT offers this program at several sites across Logan, Brisbane South, Brisbane North and the Caboolture. We also run this program in North Queensland and other regional areas when there is sufficient demand.
Training method:	Training is delivered face to face in small groups to ensure you have plenty of interaction with your trainer. There will also be some additional reading that you will be required to complete out-of-class.
Entry requirements:	Participants in this program must be capable of performing basic mathematical calculations and written and spoken English. There are no other formal entry-level requirements in terms of prior studies or work experience.
Support services:	We are committed to helping you achieve your study goals – you will have access to your Trainer throughout the program for any educational support requirements. You will also be screened in terms of language, literacy and numeracy (LLN) levels coming into the program and be supported in those areas according to your individual needs. Where we cannot provide sufficient support, you will be referred to a suitable program to develop those skills.
RPL or Credit Transfer	Recognition of Prior Learning (RPL) is a method of assessing your current skills and knowledge that may have been acquired through formal training and/or via informal learning such as work experience. Credit Transfer (CT) is the recognition of your formal training completed through another registered training organisation (RTO). Contact us if you are applying for Recognition of Prior Learning or Credit Transfer
What you will need:	Students will not be required to purchase or own any additional materials or equipment to complete this program – all training and assessment materials are provided.
