Certificate III in Early Childhood Education and Care Fee for Service

This qualification reflects the role of educators in early childhood education and care who work in regulated children's education and care services in Australia. They support children's wellbeing, and development in the context of an approved learning framework. Educators use a range of well-developed skills and knowledge using discretion and judgment when carrying out their work in the context of established policies and procedures. They may work independently or under the guidance of others, though in some contexts that guidance may not be on-site.

Early childhood educators work in long day care centres, family day care, pre-schools or kindergartens.

Additional Course Information

Trainer - This course offering will be delivered by Academy of Training (RTO #91215), in some cases with the assistance of our pre-approved training partners. Your Trainer will be experienced and qualified, both as a Trainer and an industry practitioner. They will be dedicated to providing you with skills and knowledge that will be valued by prospective employers, helping you gain employment.

Training Method - Training is delivered face to face in small groups to ensure you have plenty of interaction with your trainer. There will also be additional reading that you will be required to complete out-of-class.

Resources - You will not be required to purchase or own any additional materials or equipment to complete the Face to Face component of the program - all training and assessment materials are provided. At the student's own cost, you will be required to purchase an AOT work placement uniform.

Support Service - You will have access to your Trainer throughout the program for any educational support. You will also be screened in terms of language, literacy and numeracy (LLN) levels coming into the program and be supported in those areas according to your individual needs. Where we cannot provide sufficient support, you will be referred to a suitable program to develop those skills.

More information - Download the Student Handbook from the AOT website to ensure you are fully informed of all relevant AOT policies, procedures and course information prior to your enrolment.

Contact us - If you have further questions, please contact us on any of the details below.
