

Fees And Charges

How do I calculate fees payable?

Our Admin Staff and Training Partners are on hand to provide assistance in this area.

Unless stipulated, all course fees are inclusive of:

- Administration charges
- Training delivery
- Training assessment
- Learner course material – online materials only for online and online or printed for classroom based training

Fees And Refunds Policy

- All enrolment fees are invoiced before commencement unless alternative arrangements have been made. Students are refunded fees for any unit paid but not commenced.
- Once training has commenced, no refund is available to students who leave before finalising the course unless a student can provide a medical certificate to show extreme personal hardship. However, should participants wish to finalise incomplete competencies in a future course, the original payment can be used as credit towards that course within six months of initial payment. A student must complete a Student Refund Request Form.
- Applications for payment plans are approved by the AOT CEO and applications are not guaranteed. A student must complete a Student Payment Plan Request Form.
- Students may be eligible for a proportional refund if they withdraw after commencing a unit of competency. Students must complete Student Refund Request Form and submit to AOT Accounts.
- **NOTE:** Students are advised that if Student Contribution Fees are not paid by the due date, you may be refused entry to future classes until the outstanding fees are paid in full.
- Students have the right to obtain a refund for services not provided by the AOT in the event that the:
 - **arrangement is terminated early**, or
 - **the RTO fails to provide the agreed services.** If for any reason AOT is unable to fulfill its service agreement with a student, AOT must refund the student all fees paid for services not delivered.
 - **RTO Course Default:** In the event where a course is cancelled by AOT, enrollments may be transferred to another course provided cancellations are received no less than two working days before the course commencement. If the participant cannot be transferred to an alternative course, a full refund will be provided. Enrollment will only occur after payment is received, and an acknowledgement will be forwarded to you by email/mail to confirm your enrolment.
- Participants may be provided with a full refund or partial refund of course fees in exceptional circumstances for hardship/illness/family difficulties and compassionate reasons if approved by the AOT CEO

Payment Plans

AOT does offer payment plans to students where course fees are in excess of \$500. Where such agreements are formed these shall be documented to ensure that all fees and associated payment schedules are fair and transparent to all parties.

**Credit transfers from previous studies**

Where a student is given an exemption from studying any units of competency in their chosen course due to proven successful completion of relevant past studies, that component of the student contribution fees will not be charged and will therefore be deducted from their total enrolment fee.

Concessional discounts

We are committed to making a difference in our community and work diligently towards breaking the unemployment cycle. As such we offer substantially discounted rates for those who hold official documentation confirming entitlement to a pensioner or a health care card concession. This is also applicable to the Career Start and Career Boost Programs.

Course fee subsidies

AOT strives to capture funding subsidies for our courses wherever available in an attempt to reduce prices for our training programs for students.

It may be worthwhile checking with our administration team to see if any subsidies may be available to support your fee payments.

One of our most popular course subsidies is the Career Start program. The program is a Department of Education, Training and Employment initiative and applies to a range of courses and is available to some Queenslanders based on eligibility rules. See the applicable course flyer for more details. AOT also offers a similar pricing subsidy opportunity under the Department of Education, Training and Employment's Career Boost Program. See our website for more details.
